Dr John Vrazas

FRANZCR

Consultant Interventional Radiologist

St Vincents & Mercy
Private Hospital

Patient Information – Ultrasound

The tests ordered are non-invasive, no needles are involved.

Please be prepared to get partially undressed into a gown.

Some tests may require you to fast for 6 hours prior to the appointment, no drink or food. (No fizzy drink for 24 hours).

You may take your normal medication with half a cup of water.

Diabetic patients need not fast

If unsure, please ring 03 84151279
