

Patient Information

The tests ordered are non-invasive, no needles are involved.

Please be prepared to get partially undressed into a gown.

Some tests may require you to fast for 6 hours prior to the appointment, no drink or food. (No fizzy drink for 24 hours).

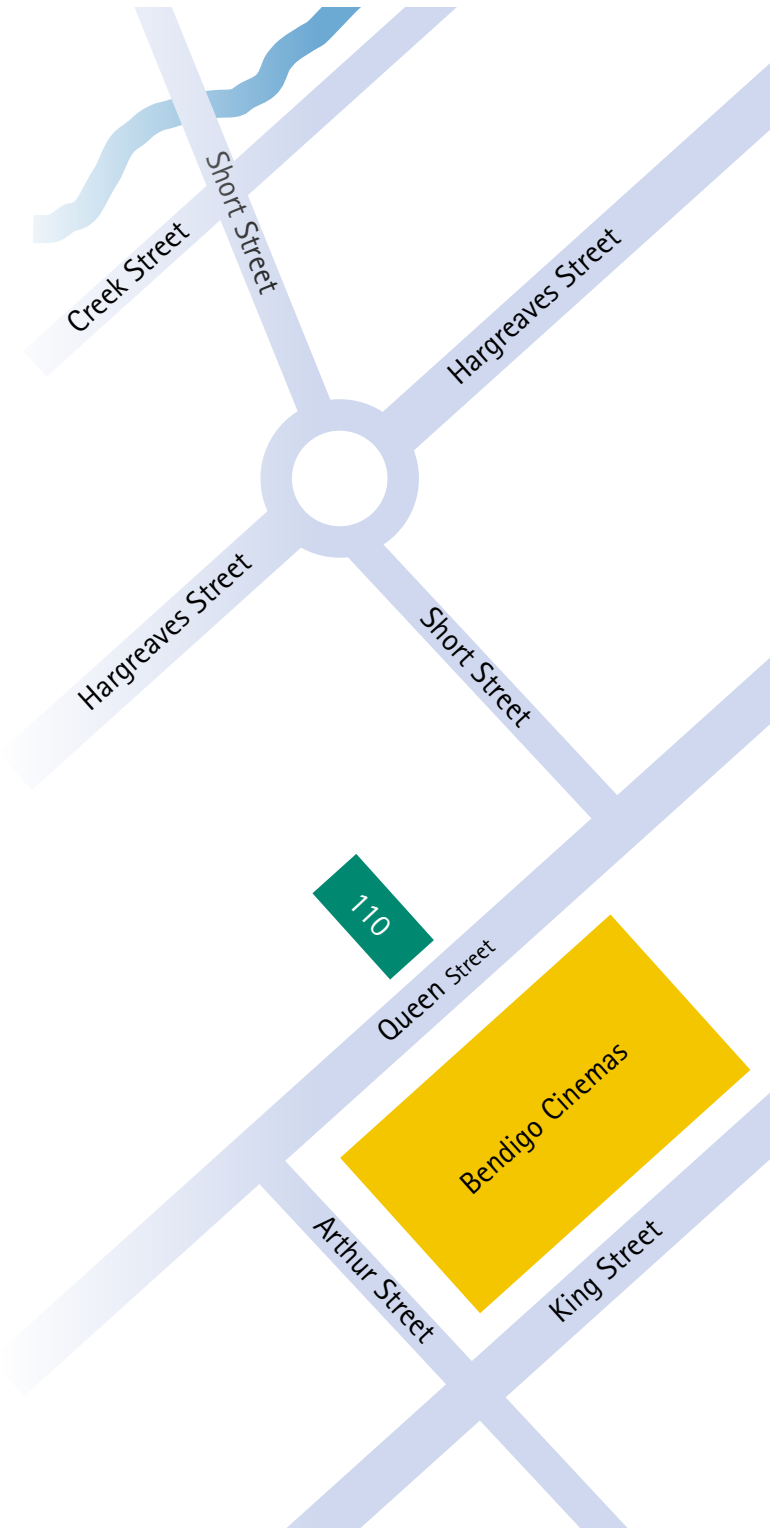

You may take your normal medication with half a cup of water.

Diabetic patients need not fast

For any enquiries or more information please call 03 8415 1279
